WAIVER OF LIABILITY FOR MEDIA REPRESENTATIVES

CONSENT AND LIABILITY RELEASE AND INDEMNIFICATION AGREEMENT

1. I am aware of the inherent risks and dangers associated with motor racing events and undertake to abide by the instructions enacted by the organisers, race control, the marshals as well as the police and their representatives (in written, verbal or visual form) promptly and - in particular - to not enter restricted areas of safety zones.

2. I accept that I am acting at my own risk when leaving the area generally accessible for spectators and the areas explicitly designated by the race control - even if staying there is tolerated by the organiser. Explicitly designated by the race control are:

- All the areas designated as spectator areas.
- The entire paddock and service area including all the connecting roads and through roads.
- The pit area.

I am aware that staying in front of track boundaries, such as crash barriers or concrete elements, in restricted areas of safety zones and obvious danger zones is strictly prohibited.

3. I declare with the cession of this media representatives' declaration that I waive the right for all kinds of damages which are linked to the event, namely against:

- FIA, ETRA Promotion GmbH, the member organisations of ETRA Promotion GmbH, ADAC; its presidents, organisational bodies, Managing Directors, Secretaries General, board members, advisory-board members, members, full-time and honorary staff and members.
- The organisers, their representatives, marshals and helpers, race track operator.
- The circuit owners and their representatives.
- The competitors, drivers, co-driver/passengers/ vehicle keepers, vehicle owners and their helpers
- Public authorities, racing services and other persons or institutions or institutions connected with the event's organisation.

The disclaimer does not apply for damages or harm to life, body or health or any other damage resulting from the deliberate or gross negligent breach of duty, and not for any damage resulting from the breach of a material contractual obligation committed by the group of persons released from liability. In the case of damages resulting from a slightly negligent breach of duty of a material contractual obligation, the liability for financial loss and for damage to property is limited to the typical foreseeable damage. The disclaimer applies to claims for any legal reason whatsoever, so in particular to claims for damages based on contractual and non-contractual-liability and to claims from tortuous acts. Implied exclusions from liability shall remain unaffected by the above non-liability clause.

4. The areas explicitly designated by the race control for the media coverage are marked on the track map. I will study this map on every day of the event and will respect it.

5. I am aware that the use of TV and video cameras has to be sanctioned in written form by the owner and administrator of the film and TV rights.
